

Task 1: Home Page

Clickable Buttons to redirect users to the respectful screen (Task 1.1,1.2)

Bias Reporting System

LOG IN

SIGN UP

BRS

Main Landing Page of the system. Enough details would be described here to inform users what the purpose of the system is and its objectives.

Task 1.1: Register

Login/Register Button:
Not Available unless Register
modal is closed

The screenshot shows the 'Bias Reporting System' header with a dark background. In the top right corner, there are two buttons: 'LOG IN' and 'REGISTER'. The 'REGISTER' button is highlighted with a red arrow and a note stating 'Login/Register Button: Not Available unless Register modal is closed'. A 'Sign up' modal is open in the center, featuring a white background and a black 'X' close button in the top right corner. The modal contains two input fields: 'EMAIL' with the text 'JaneDoe@ualberta.ca' and 'PASSWORD' with masked characters. Below these fields is a black 'SIGN UP' button. At the bottom of the modal, there is a checkbox and a text block: 'You must have a valid Univerty of Alberta email address to set up an account. By signing up, you agree to BRS's [Terms of Service](#) and [Privacy Policy](#).' Red arrows point from external text labels to the email field, password field, 'SIGN UP' button, and the checkbox area. The background of the page is a light gray with a teal and green abstract shape at the bottom.

A confirmation link has been sent to your
Univerisity of Alberta email

Task 1.2: Log In

Login/Register Button:
Not Available unless Register
modal is closed

The screenshot shows the 'Bias Reporting System' interface. A dark header bar contains the system name on the left and two buttons on the right: a white button with a black 'X' and a black button with 'REG' and 'R' and a black 'X'. A red arrow points to the 'REG' button with the text 'Login/Register Button: Not Available unless Register modal is closed'. In the center, a white 'Log in' modal is open, featuring a close button (black 'X') in its top right corner. The modal contains an 'EMAIL' field with the text 'JaneDoe@ualberta.ca', a 'PASSWORD' field with masked characters '.....', a black 'LOG IN' button, and a 'Forgot Password?' link. Red arrows point from text labels on the left to these elements: 'User Email Field: User Inputted UofA' to the email field, 'User Password: User Inputted Password' to the password field, 'Log In Button: Clickable' to the 'LOG IN' button, and 'Forgot Password Link: Clickable' to the 'Forgot Password?' link. The bottom of the page has a teal and green geometric design.

Clickable

The UI mockup consists of a dark header bar with a hamburger menu icon, the text 'Bias Reporting System', and a 'LOGOUT' button. Below the header is a sidebar with four buttons: 'Recent Activity', 'All', 'Dashboard', and 'Closed Reports'. A red box highlights these buttons. Below the sidebar is a list of report categories: 'My Inbox' (with a red notification bubble containing the number 3), 'My Draft' (with a count of 2), and 'My Submission' (with a count of 1). A red arrow points to the 'My Inbox' category. The main content area displays a report card for 'Subject of Report'. It includes a 'Date: MM/DD/YY' field, a 'Recipient' field, and a 'Status' button. Below these are two 'Description: Type Text' fields. A red arrow points to the 'Status' button. At the bottom of the report card is a 'Comment' section with a 'Description: Type Text' field. A red arrow points to this field. Below the report card is a blue 'Add Comment' button. A red arrow points to this button. A red arrow also points to the 'Update/Feedback' button, which is located to the right of the 'Status' button.

Button: **Clickable**
Allows Users to View
their Drafted/
Submitted Reports
and view any updated
reports (Inbox) or
Create a new Report
(New Feedback)

Clickable
Allows the
user(Recipient) to
view the details of
the report

Notification Icon:

Informs users of new update/changes to a report that they haven't seen yet.

Buttons: Clickable
Allows Users to view All their reports regardless of status, Closed reports only, their recent activities of reports and Dashboard

Element Icon

Task 5.0: Viewing a report (Reporter POV)

User Inputted Field: Not Editable

Logout Button: Clickable

The wireframe shows a web application titled "Bias Reporting System". At the top right is a "LOGOUT" button. On the left is a sidebar with a menu icon and four buttons: "Recent Activity", "All", "Dashboard", and "Closed Reports". Below these is a list of report categories: "My Inbox" (with a red notification icon), "My Draft" (with 2 items), and "My Submission" (with 1 item). A gear icon is at the bottom of the sidebar. The main content area has a header "Subject of Report" followed by a "Date: MM/DD/YY" field and a "Recipient" field. Below these is a large "Description: Type Text" area. To the right of the description is a "STATUS" button. Red arrows point from the annotations to various elements: the sidebar buttons, the notification icon, the date and recipient fields, the description text area, the status button, and the logout button.

Button: **Clickable**
Allows Users to View their Drafted/ Submitted Reports and view any updated reports (Inbox) or Create a new Report (New Feedback)

Date and Recipient Field: Static/Not clickable as the report has been created prior.

Body Field: User inputted. Can contain any type of characters
